Medea, the woman before the myth

Μήδεια, ἡ γυνὴ πρὸ τοῦ μύθου

მედეა, მითების პირველი ქალი

Medea is often associated to Euripides' tragedy, which makes her an infanticide. But this is only one version of her story. Who was Medea before this myth started to spread?

This precious picture book takes the reader back to ancient Colchis and Greece through delicate watercolour illustrations and a translation into Georgian and ancient Greek and shows Medea as an enchantress and healer.

Loreley

Loreley is an Undine spirit who sits on a rock in the River Rhine, combing her hair with a golden comb and singing a mesmerizing melody. Loreley's song seduces sailors, who look around trying to see where this melody comes from, not noticing the rocks and cliffs nearby and eventually drowning with their ships.

A new illustrated version of Heinrich Heine's famous poem.

Lillo the Bunny

Lillo the Bunny had a gift, something that made him special and unique among his fellow bunnies: Lillo farted in colours.

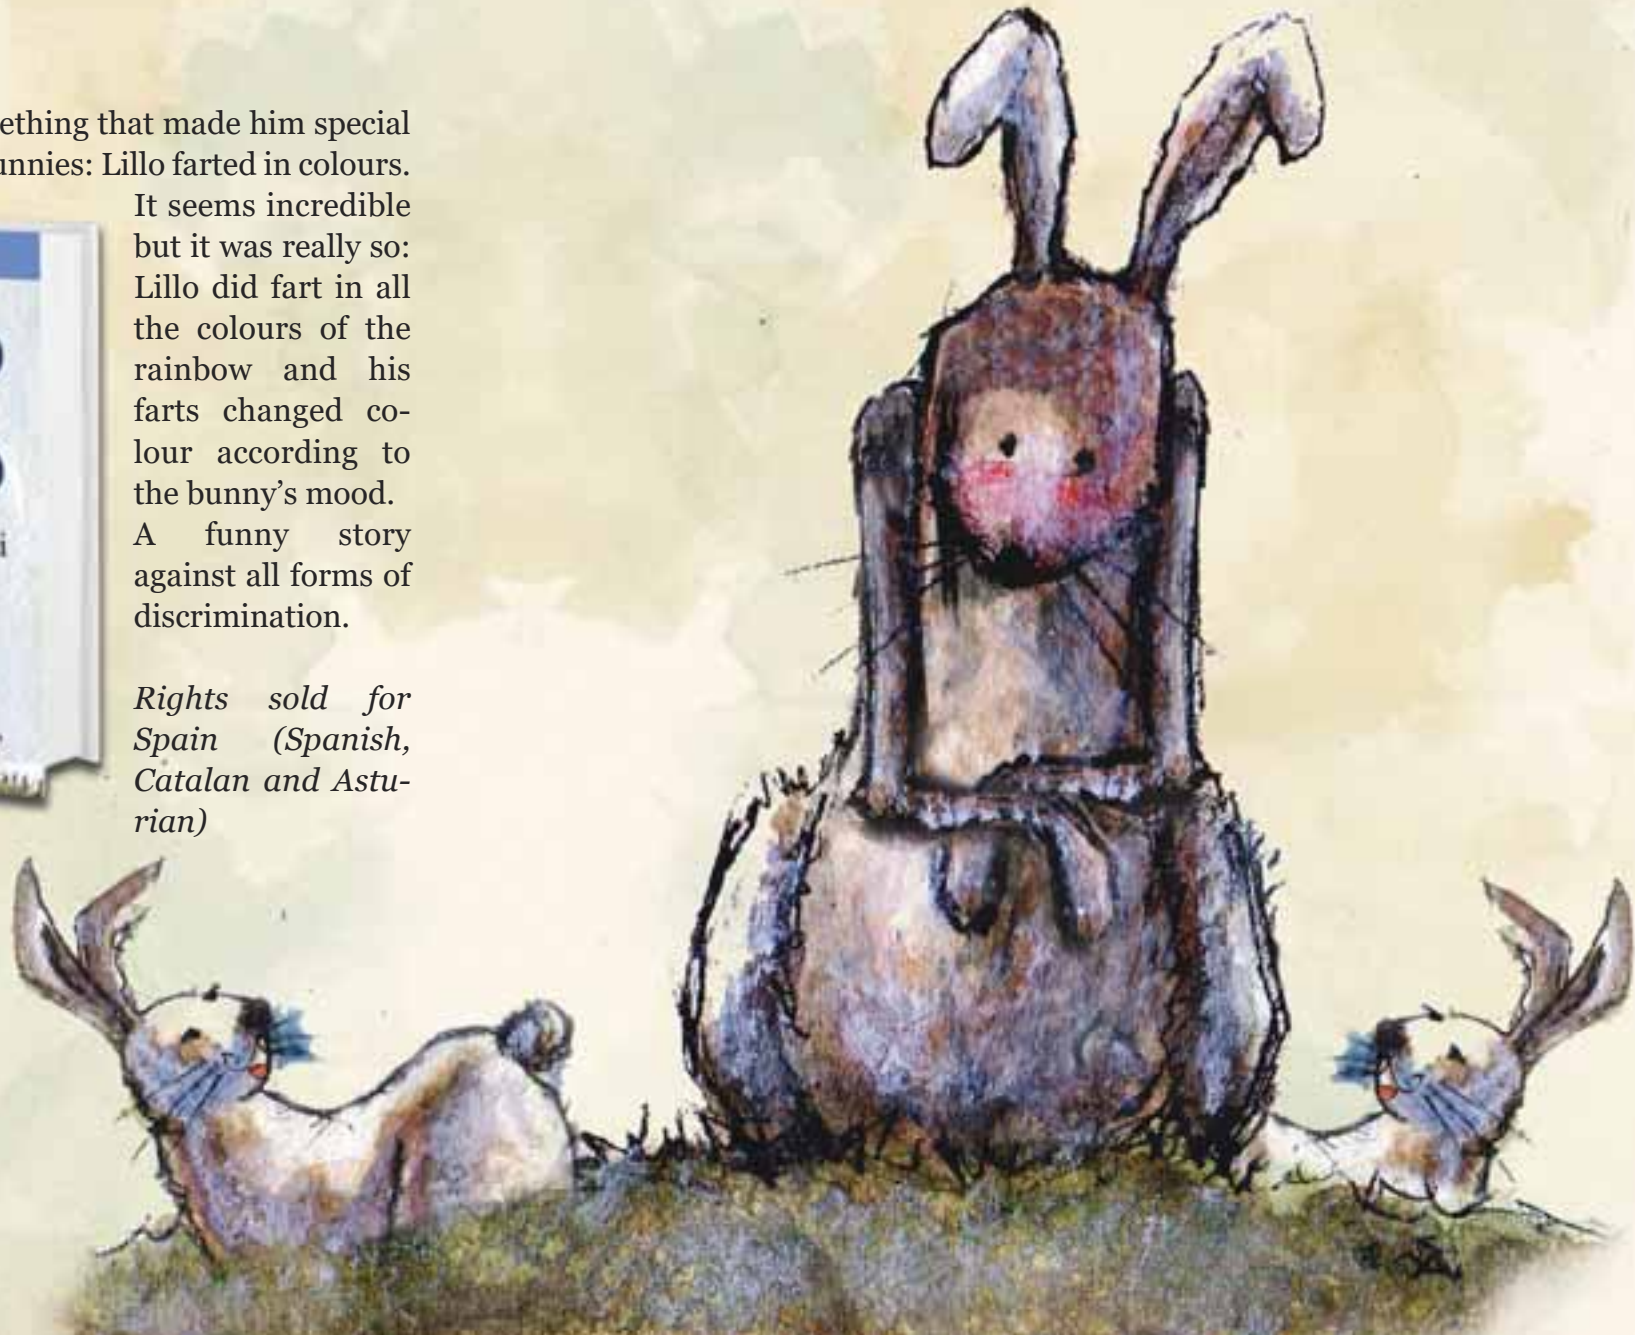

It seems incredible but it was really so: Lillo did fart in all the colours of the rainbow and his farts changed colour according to the bunny's mood. A funny story against all forms of discrimination.

Tomolo Edigio edizioni is a small Italian publishing house specialising in illustrated children's books.

Our children's book series are intended to teach about values like love, friendship and respect, and offer children the opportunity to get in touch with other cultures. Besides our series written by contemporary authors and illustrated by Italian artists, we offer a series of English books and bilingual books (Tomolo International). So far, we have the following languages available: Spanish, French, German, Japanese, Ancient Greek, Russian and Georgian.

The books in our catalogue are mainly illustrated by Italian artists.

Our illustrated books are not only aimed at children. We have a hard-cover book series, Le Tomoleggende, intended for adults and collectors or, more generally, people who love beautiful, fairy and old-style illustrations. Each book focuses on local legends and investigates Italian and foreign folklore.

Tomolo Edizioni has recently expanded its catalogue and currently includes fiction for adults (romance, fantasy, thriller).

What makes us different from other publishing houses is our book series dedicated to authors under 18.

We want to give a chance to every text worth publishing, and, why not, even if written by someone underage.
